Keep on the Sunny Side

Common Key: F

```
        F          Bb              F
There's a dark and a troubled side of life
        F                    C
There's a bright and a sunny side too
          C                          F
Though we meet with the darkness and strife
    C                    F
The sunny side we also may view

      F                  Bb           F
    Keep on the sunny side, always on the sunny side
    F                        C
    Keep on the sunny side of life
          F                      Bb            F
    It will help us every day it will brighten all our way
          F          C          F
    If we keep on the sunny side of life

      F             Bb           F
Oh the storm and its fury broke today
          F                    C
Crushing hopes that we cherish so dear
              C                      F
The clouds and storm will in time pass away
    C                            F
The sun again will shine bright and clear

      F           Bb               F
Let us greet with a song of hope each day
            F                    C
Though the moment be cloudy or fair
      C                    F
Let us trust in our Savior always
    C                        F
To keep us every one in His care
